NOTE.

We apologize to our dear subscribers and readers for this delayed edition. In fact we were run over by Time. In homage to Time and on request of many readers, we are republishing LETERA permanent calendar good for over 2,000 years. It was first published in our first edition in 1982 on the 400th anniversary of the reformation of calendar by Pope Gregory XIII.

LETERA is no matrimonial agency. However, we receive many letters of people who honestly seek a lifetime companion. In our next issue we will try to help them by publishing their ads and photos.
